

D I S C O V E R L U X U R Y

Our ambition is to be the leader in furniture & architectural fittings.

FLUID HARDWARE INDIA PVT. LTD. was established by a team of professionals having experience of more than 30 years in the field of the furniture and architectural hardware industry, with a global vision.

FLUID IN BRIEF

- Fluid as a brand can be used in all sectors of the industry like personal homes, residential projects, commercial projects etc.
- Fluid desires an equally major share in the retail and OEM segment with a lot of product range under one roof.

VISION

- To be India's leading company in the retail & OEM segment with a presence across India.
- Continue new inventions for the new generation & fulfill all needs of the respective market, along with social service & skill development programs.
- Pleasant working environment for employees with respective growth.

MISSION

- Best Customer Service.
- Fulfill all commitment with the profitable growth of our channel partners & company.
